For Robert Saffold Jr. · Robert C. Saffold Sr. Foundation, Inc. · October 19, 2026

Agreement: In4Par and the Robert C. Saffold Sr. Foundation

THE AGREEMENT

Plain language on purpose. This is the whole of it. A PDF copy is at the end.

Between In4Par Golf LLC, Ian Saunders (In4Par), and the Robert C. Saffold Sr. Foundation, Inc., Robert Saffold Jr., President (the Foundation). Dated October 19, 2026.

1. **The work.** In4Par delivers the three steps described on this page. Step 1 at no charge. Step 2 for $950, target November 20, 2026. Step 3 for $1,450, target January 15, 2027, with the scope confirmed in writing after In4Par reviews the Foundation's existing T-Time site. Targets depend on the Foundation providing logins, the IRS determination letter and the EIN within the first week.
2. **Payment.** By Zelle to 407-310-6603, Ian Saunders. Work on a step begins the day its payment arrives. A step's fee pays for the work in that step; once the work is delivered it is not refunded. If In4Par cannot complete a step, the portion for the undelivered work is returned.
3. **The monthly platform.** $97 a month for platform access and basic technical support, beginning sixty days after the Foundation's setup is live, billed monthly by Zelle. Basic technical support means help when something stops working, by email or text, up to two requests or one hour a month, answered within two business days. Either side may end the monthly plan with thirty days' written notice; a month already paid is not refunded. Domain registration and text message carrier fees are billed to the Foundation at cost.

4. **Ownership.** The Foundation owns its domain, its website content, its contact list, its giving account, its nonprofit program accounts and everything created for it under this agreement. In4Par administers the platform account that hosts the site and the list. The Foundation may request an export of its contacts at any time. If the relationship ends, In4Par provides full exports within fourteen days and transfers the domain and any Foundation-owned account on request.
5. **Additional work.** Anything beyond the three steps, such as running sponsor outreach, entering events, grant writing or a separate monthly service, is quoted in writing and agreed before it starts. An optional arrangement of ten percent of new sponsorship dollars in place of a fee for sponsor work is available only under a written scope that states how sponsorships are attributed and paid.
6. **How we work.** In4Par does not promise registrations, sponsorships, donations or grant awards; it builds the setup and the Foundation makes the asks. In4Par keeps the Foundation's information private and uses its contact list only for the Foundation's own communications.
7. **Ending it.** Either side may end this agreement by written notice. Completed work and all Foundation-owned accounts stay with the Foundation.
8. **Agreement.** The Foundation accepts by replying AGREED by text to 407-310-6603, by email to hello@in4pargolf.com, or by signing a printed copy. Payment for Step 2 also counts as acceptance.
